Statement from Rebuild NY Now Chairman Jeff DiStefano on FY25 Road and Bridge Funding

“Rebuild NY Now and its partners commend the Legislature for their hard work and attention to the reality of funding for roads and bridges for FY25. With inflation, supply chain issues and material cost escalation all playing a role, \$400 million for the DOT core and hundreds of millions more for local roads is a crucial start to providing more reliable roads and bridges to New Yorkers,” said Jeff DiStefano, Chairman, Rebuild NY Now.
